Lizton Zoning Ordinance Section 5.5 C (1)

Garage or Yard sales shall be conducted within a permanent building or immediately outside such building. Garage/yard sales shall be distinguished from flea markets or farmer's markets in that garage/yard sales are clearly incidental to residential uses, while flea markets and farmer's markets are commercial businesses and principle uses. In no instance shall this provision be interpreted as permitting the operation of a flea market or farmer's market.

No more than two (2) such sales may be conducted on the premises of any lot in any calendar year. Such sales may take place for no more than four (4) consecutive days per sale. A permit is required for each sale. **A permit can be acquired at Town Hall free of charge.**
